The Hampton Inn in Stow, Ohio was recently awarded TripAdvisor's 2013 Certificate of Excellence.

Stow, Ohio, June 11, 2013 (PressReleasePoint) The Hampton Inn in Stow, Ohio was recently awarded TripAdvisor's 2013 Certificate of Excellence.

This prestigious award, which places the honorees in the top-performing 10% of all businesses worldwide on TripAdvisor, is given to businesses that consistently earn high ratings from TripAdvisor travelers.

"As the reviews are candid, unedited, real guest perceptions of your property, I believe that what really takes the temperature of how your hotel is performing is TripAdvisor," said Lisa Zifer, General Manager of Hampton Inn Stow. "We are truly honored that a site that bases this award on such real feedback has chosen Hampton Inn Stow as a recipient and we thank our guests for their continued honest reviews."

To qualify for a Certificate of Excellence, businesses must maintain an overall rating of four or higher, out of a possible five, as reviewed by travelers on TripAdvisor, and must have been listed on TripAdvisor for at least 12 months.

The Hampton Inn Stow is a corporate branded hotel that is professionally managed by Riley Hotel Group, based out of Medina, Ohio.

The hotel is located only minutes from Cuyahoga Valley National Park and downtown Akron and Canton, an area famous for landmarks such as the NFL Hall of Fame and the Rock and Roll Hall of Fame.
